THE GRACIOUS THING TO DO.

The school houses throughout the state of Nevada have the emblem of freedom unfurled at half-mast and the school bells are muffled on account of the lamented death of Orvis Ring. It now devolves upon Governor Dickerson to appoint a successor to fill the vacancy.

Through the graciousness of the Democratic party Mr. Ring had no opponent at the recent primary election and reciprocal feeling should prompt the Republican party to recognize whomever the governor shall appoint to fill the vacancy thus occasioned. The Republican state committee could nominate the person appointed regardless of his political faith, for politics should not be considered in matters educational. Gilbert Ross would be the most eligible, but he having recently received the Democratic nomination for lieutenant governor eliminates him; and J. Edward Bray, though a Democrat, is an efficient educator, a long-time server in the cause of education in this state, is a worthy man and in every way qualified for the position.

FUNERAL OF ORVIS RING HELD THIS AFTERNOON

OUT OF RESPECT TO MEMORY OF EDUCATOR, ALL STATE SCHOOLS CLOSED.

Every public school in the state was closed today, out of respect for the memory of State Superintendent of Public Instruction Orvis Ring, who passed away at Reno Tuesday night. The funeral was held this afternoon at Reno, under the auspices of the F. & A. M.

In addition to the many floral pieces in evidence at the funeral, the children and teachers of the Tonopah schools ordered a magnificent ornament as a tribute to the deceased. The flags on all the public buildings in this city were at half-mast yesterday and today, as a mark of esteem to the noted educator.

STORY OF A GOAT AND A \$10 BILL

WASHINGTON, Sept. 14.—This tale of a goat is arranged chronologically:

A woman in Detroit wanted a new hat and drew a \$10 bill out of the bank.

A gust of wind whisked it out of her hand.

A small boy driving a nanny goat to a cart happened by and the \$10 fluttered under nanny's nose.

Nanny grabbed the bill. The woman accused the boy of stealing it.

By the time the policeman had arrived the goat had swallowed the bill.

The boy proved his innocence and recovered the bill by killing nanny. The treasury department issued a new bill.

REPUBLICAN CLUB TO MEET TONIGHT

The Tonopah Republican club will hold an important meeting at their headquarters tonight, next door to the Tonopah Banking Corporation bank. Business of importance. A full attendance is desired. Meeting called to order at 8 o'clock sharp.

Location notices, both in book form or by the dozen. For sale at this office.

AMERICAN IS AGAIN STUNG

The smooth way in which Mme. Lina Cavalleri of Paris separated Robert Winthrop Chanler of New York from several millions reads like a chapter of fiction.

The woman in the case is the queen of the Parisian demi monde and edits the fashion page of Hearst's stable of newspapers.

Chanler became infatuated with her and offered her his hand in marriage. He knew her past as the lady in the case had unfolded it to him. A complete record of it would not go through the mails.

He was still determined to make her his wife. She is billed as the most beautiful woman in the world, and possibly is.

Just before the ceremony she suggested that, as she was a business woman, and he was careless in such matters, it might be well for him to make over all his fortune to her, rated at several millions.

So the infatuated lobster assigned all he had in the world to the lady and the priest blessed the union.

She had another lover, several, in fact, and presently told Chanler she was tired of him and dismissed him. She was not wholly oblivious of the past friendship, however, and in the kindness of her heart agreed to settle twenty dollars a month on him to live on, while he made some more painting pictures.

People generally mention him as the biggest sucker of the century.

But possibly people should be more charitable with the woman's unfortunate dupe. The wisest men in the world have gone the same route, and will still go. Socrates, reckoned as the greatest of philosophers, groveled at the feet of Phryne when she held the same place in Athens that Cavalleri holds in Paris.

No man, however wise, is safe from the wiles of a woman and none but a fool will brag that he is immune from their arts.

Let him who has never been worsted in an encounter with the gentler sex cast the first stone. Cheer up, Bob, lots of sympathetic hearts are beating for you on both sides of the Atlantic. The sea is full of other fish—and not all sharks.

Two little boys at Cortland, New York, aged four and six years, tired of trundling their baby sister about, traded the little girl to a six-year-old boy for his yellow cat. The boys took the cat home instead of the baby girl, and when the worried mother discovered the "deal" she made a hasty trip to the far end of the village and recovered her baby, declaring the deal off. The yellow cat was restored to its owners and the town is laughing over the amusing case.

COMMITTEEMEN TO MEET TUESDAY AT COURT HOUSE

EACH PARTY TO SELECT CHAIRMAN AND EXECUTIVE COMMITTEE.

Next Tuesday afternoon, the county committeemen of the various parties, elected at the primary election, will meet at the court house at 2 o'clock for the purpose of organizing, electing a chairman and an executive committee. This is in compliance with the election law, which states that the committeemen from the various precincts must meet on the second Tuesday after the primary election.

Many of the precincts failed to select committeemen, and in the third Tonopah precinct a doubt exists as to who is the Democratic choice. W. R. McFadden and W. H. Roberts both received thirteen votes, and there is nothing in the law as to the necessary procedure in case of a tie vote.

Following are the votes received by the different candidates in the precincts that voted for committeemen:

Tonopah No. 1.—Republican, R. B. Govan, 8; Wm. Sinclair, 2; Jack Peck, 1. Democrat—A. Franquelin, 9; James Cleary, 4; E. Malley, 1; Scott Baldwin, 2; H. C. Stimler, 1; A. J. McGuire, 1.

Tonopah No. 2.—Republican, Cal Shaw, 6; Wm. Ashburn, 5; Bob Govan, 3. Democrat, J. J. Degan, 10; D. J. Robb, 7; A. H. Franquelin, 2; Bill Ashburn, 1.

Tonopah No. 3.—Republican, P. S. Booth, 5; J. E. Peck, 4; A. A. Smith, 3; Thos. Kendall, 2; H. E. Epstine, 1; Frank Macy, 1; R. H. Dalzell, 1; H. H. Atkinson, 1; Bob Govan, 1; Thos. H. Griffin, 1; Cal Shaw, 1. Democrats—W. R. McFadden, 13; W. H. Roberts, 13; Elbert O'Connell, 3; W. H. Johnson, 1; W. M. Grimes, 1; H. R. Cooke, 1.

Tonopah No. 4.—Republican, J. Peck, 4; D. Walker, 4; W. Sinclair, 1.

Beatty—Republican, C. W. Judkins, 1; Mr. Drake, 1. Democrat, Paul Moorman, 6.

Berlin—Democrat, Geo. N. Derringer, 2; T. J. Bell, 1.

Relieves Urinary and Kidney Troubles, Backache, Straining, Swelling, Etc.

Stops Pain in the Bladder, Kidneys and Back.

Wouldn't it be nice within a week or so to begin to say goodbye forever to the aching, dribbling, straining, or too frequent passage of urine; the forehead and the back-of-the-head aches; the aches and pains in the back; the growing muscle weakness; spots before the eyes; yellow skin; sluggish bowels; swollen eyelids or ankles; leg cramps; unnatural short breath; sleeplessness and the despondency?

I have a recipe for these troubles that you can depend on, and if you want to make a quick recovery, you ought to write and get a copy of it. Many a doctor would charge you \$2.50 just for writing this prescription, but I have it and will be glad to send it to you entirely free. Just drop me a line like this: Dr. A. E. Robinson, 41306 Luck Building, Detroit, Mich., and I will send it by return mail in a plain envelope. As you will see when you get it, this recipe contains only pure, harmless remedies, but it has a great healing and pain-conquering power.

It will quickly show its power once you use it, so I think you had better see what it is without delay. I will send you a copy free—you can use it and cure yourself at home.
